CANCELLATION/NO-SHOW POLICY

CANCELLATIONS:

We value all our patients and strive to provide the best patient care possible in the most comfortable setting. Please understand that when we schedule your appointment, we are reserving time for your medical needs, reserving a room and preparing your records. We kindly ask that if you must change an appointment, please give us a 24-hour notice. This courtesy makes it possible to give your reserved time to another patient who is needing to be seen. If you cannot give us a 24-hour notice, please call us as soon as possible to let us know that you cannot make it to the appointment. We know that your time is valuable and appreciate your cooperation with our policy.

NO-SHOW APPOINTMENTS:

A "NO-SHOW" is defined as missing an appointment without calling us to cancel. We understand that the occasional missed appointments can occur for a variety of reasons. When you do not come to your appointment, not only are you not being seen, but you are preventing another patient from being seen.

Our policy is as follows:

1st No-Show: We will send a letter and reach out to you by phone to get your appointment rescheduled.

2nd No-Show: We will send a letter, reach out to by phone and you will incur a $25 fee added to your chart. No discounts or refunds will be issued for these charges. Your payment will be due in addition to any copay's that you may have at your next visit.

3rd No-Show: After the 3rd no-show, we will send you a letter of dismissal from the practice. We will offer 30 days of emergent care only and will send your medical records to your new physician.

I have read and understand the above policies. Any questions that I have regarding this policy has been answered and copy provided to me.
